All Building Permits must be posted at the job site and easily accessible to every inspector. Failure to notify the appropriate inspectors for any inspection could result in :  
 (1) a Stop Work Order ; (2) Removal of walls to see beneath them ; and / or ; (3)  
 Revocation of this Building Permit.

**THIS BUILDING SHALL NOT BE OCCUPIED UNTIL AN OCCUPANCY PERMIT HAS BEEN ISSUED**

ATTENTION: Obtaining a building permit does not exempt you from the Wetlands Protection Act (M.G.L. Ch. 131, Sec. 40). Any activity within 100' of freshwater wetlands or within 100' of certain salt water areas or below 15' in elevation requires a filing with the Marion Conservation Commission. Whether the Wetlands Protection Act applies is a technical question, and you should seek professional help or ask the Conservation Commission. Violation of the Wetlands Protection Act may result in orders stopping construction as well as civil and criminal penalties.
